Summary of Primary Sport Premium 2017-2018	
<p>Objectives of spend:</p> <ul style="list-style-type: none"> • Improve the provision of PE and school sport • To broaden the sporting opportunities and experiences available to pupils • To develop increased participation in sport and physical activity • To improve the exercise, fitness and well-being of pupils • To develop the knowledge and confidence of staff in delivering PE • To create sustainable mind sets in embracing new challenges and active, healthy lives • To invest in sports equipment for current and future pupils of the school 	
Impact of Sport Premium spend on sports club attendance	Attendance at both after school sports clubs (one for older pupils and one for younger pupils) continues to be sustained at good levels; approximately 52% for class 3's club and 50% attendance for year 1-3's club. Over the course of the last three years, attendance at both after school sports clubs has grown and now remains at a sustained level across the whole school. Older pupils still continue to volunteer to support the younger club, helping them develop their skills and also furthering their own leadership qualities.
