## **Cusgarne School's SEN Information Report and Local Offer for pupils with Special Educational Needs and Disability (SEND)**

**July 2023**

At Cusgarne School, we make the most of every moment. We have high expectations and foster an environment where everyone is valued. Our school aims are:

- To provide each child with a high standard of education in a caring and supportive family atmosphere.
- To address the needs of a growing child, where children are respected and valued as individuals.
- To challenge thinking and promote independence that embraces life- long learning skills.
- To help each individual child develop positive attitudes to learning and life through building self- confidence, self- esteem and self- discipline.
- To have strong partnerships with families and communities.

Our local offer for pupils with a special educational need or disability encompasses these aims and in addition, the staff and Hub Councillors will ensure:

- We identify and provide for pupils who have a special need including being more able or gifted and talented.
- We work with the pupils and their families to ensure specific needs are known.
- That the necessary provision is made for any pupil who has a special educational need.
- That these needs are made known to all who are likely to work with them.
- That all pupils are valued as part of our school community and adjustments are made wherever practicable so that they can access a full entitlement to the curriculum and school life.

Our Responsible Persons are:

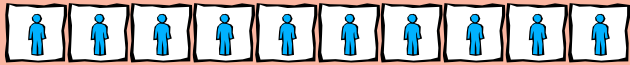

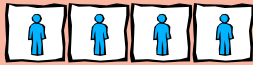

Mr Tim Barnard – Head of School

Mrs Marie Turner - SENDCo

Mrs Clare Hains – Hub Councillor with SEND responsibilities

Contact can be made by telephone, email or letter to the address above.

## 11. Pupil progress

We monitor the quality of this provision by regular review each half term by:

- SENDCo and Hub Councillor considering everyone
- General planning meeting with school EP
- SEND meeting with each Class Teacher every term
- Review meeting of IEPs
- Teacher tracking and monitoring
- Book scrutinies
- Learning walks
- In house and external moderations

We measure the impact of this provision by:

- Measuring progress and assessment of academic levels
- Assessment of pupil interaction and engagement with others in social situations
- Success statements from IEPs
- Education Health and Care Plans and outcomes
- Will listen to the voice of students and their parents

## 12. How we know how good our SEN provision is

### **Whole School Approach to Teaching and Learning:**

- ✓ High Quality Teaching and Learning – All teachers are responsible for the learning and progress of every child in their class, including those with SEND.
- ✓ An inclusive, differentiated and personalised approach to enable all learners, including those with SEND, to engage with all aspects of school life.
- ✓ Refer to Teaching and Learning Policy

### **Our Graduated Response for Learners:**

- ✓ Continual monitoring of the quality of teaching
- ✓ Identifying and tracking the progress of children/young people that require support to catch up by using ½-term data analysis, Teacher/TA referrals and IEP reviews.
- ✓ Identification of children/young people requiring SEND Support and initiation of “assess, plan, do, review” cycle.
- ✓ Consideration of application for Education, Health and Care Plan.
- ✓ All children/young people identified as requiring SEND Support or with an Education, Health and Care Plan (or statement) are on our Record of Need.

### **How we identify children/young people that need additional or different provision:**

- ✓ Class teacher refers to SENDCo – criteria – discussion and completion of cause for concern sheet.
- ✓ Ongoing curriculum assessments – every ½ term
- ✓ Tracking progress using data
- ✓ Further assessments by specialists, including those from external agencies

We take a holistic approach by all aspects of a child's development and well-being. Our pastoral support arrangements for supporting the emotional and social development of all children/young people, including those with SEND, is set out in our School Offer. Our measures to prevent bullying can be seen in our Anti-bullying policy.

### **How we listen to the views of children/young people and their parents:**

<b><u>What</u></b>	<b><u>Who</u></b>	<b><u>When</u></b>
Informal and formal discussions with pupils	Head of School Teachers Teaching Assistants Hub Councillors	Circle time, pupil surveys, Hub Councillor/pupil conferencing.
Parent View	Head of School SENDCo Teachers	3x per year parent evenings, review appointments of IEP and IBPs as well as impromptu meetings requested by parent.
Home-School Book	All pupils in the form of a reading record as well as individual diary - if part of an IEP.	Daily for home/school reading record. Individual diary – as individually agreed.
Assess, Plan, Do, Review meetings	Head of School SENDCo Teachers	½ term IEP review meetings.
Pupil opinion	School council, school visits, after school clubs	Planned through each term.
Parent suggestions and ideas	PTA group – Friends of Cusgarne	Regular events and meetings every ½ term.

### **The Assess, Plan, Do, Review Cycle:**

For children/young people on our Record of Need, an Assess, Plan, Do, Review cycle is established by Class teacher/SENDCo in partnership with the child/young person, their parents and the class teacher. Please see our SEND Policy for further details.

This year, provision made for children/young people on our Record of Need has been:

- ✓ Communication and Interaction – Individual meetings with pupils and pupil/parent together. Individual speech and language interventions run by trained Teaching Assistants.
- ✓ Cognition and Learning – Individual assessment diagnosis through standardised testing process or referral to other agencies. Visits from specialised agencies who can advise and support individual pupil needs. Full time 1:1 support. Working within small groups – pre teach as well as within classroom.
- ✓ Social, Emotional and Mental Health – Continued support provided for pupil.
- ✓ Sensory and/or Physical Needs – Sensory areas maintained within the classroom; physical environments changed to meet the needs of individuals. Regular ‘fun-fit’ sessions ran by trained Teaching Assistant.

During the 2022/2023 academic year, we had 8 Children/young people receiving SEND Support and 0 child/young person with an Education, Health and Care Plan.

### 13. If you wish to complain

Anyone wishing to make a complaint regarding SEND support and provision should in the first instance discuss with Mr Barnard (Head of School) or Mrs Turner (SENDCo). A referral will be made to the Hub Council via the SEND Hub Councillor at the School Improvement Committee meeting. The complaint should be put into writing in accordance with the school complaints policy, which can be found on the school website.

This year we received 0 complaints regarding SEND support and provision.

## Answers to Frequently asked Questions

### 1. How does your school know if children/young people need extra help?

Our school has an 'open door' policy to parents and we have extremely well-developed links with the parents of the children that attend Cusgarne Primary School. Children who may be vulnerable or those who are causing a concern to staff in terms of behaviour or academic progress, for example, are regularly observed by staff. Children's progress and behaviour are monitored through termly tracking systems. If a child transfers to our school from another Primary school, then we always do our utmost to find out as much information as possible about that child, from both parents and the child's previous school. If there are external professionals involved with that child, then their opinions and reports are sought after to ensure that we get the full picture of that child.

### 2. What should I do if I think my child may have special educational needs?

If you think that your child may have a special educational need then talk to us. We are here to listen and to help. You should talk to your child's class teacher in the first instance and then after discussion they may set up a meeting with the Special Educational Needs and Disability Co-ordinator (SENDCo) and / or the Head Teacher. Following these meetings steps will be taken to address any concerns you may have about your child.

3. Who is responsible for the progress and success of my child in school?

The progress and success of your child in school is everyone's responsibility. By 'everyone' we mean all school staff, parents as well as the child themselves. Half-termly progress meetings with staff ensures progress is tracked and monitored appropriately. Where necessary, specific and targeted intervention support will be deployed.

4. How will the curriculum be matched to my child's needs and how will their needs be supported?

At Cusgarne we are flexible and creative with our approach to the Early Years Foundation Stage Framework and Primary Curriculum and plan lessons to be accessible for all. In all classrooms there are three 'waves' of support: Wave 1 – support and resources available to everyone in that class; Wave 2 – support and resources available or tailored for small groups of children; and Wave 3 – support and resources specifically designed for or accessible by individual children. All lessons are differentiated appropriately according to the needs of the children in that class or group whether it be by the amount of support children will receive, resources they may use or the expectation the teacher has of those children when that lesson is finished. Children are sometimes withdrawn from the classroom in small groups or on a one to one basis for more intensive support from a teacher or teaching assistant, or to take part in an intervention program designed to meet and support the needs of that individual or group of children. Children may also be withdrawn by staff for individual speech therapy support.

5. How will I know how my child is doing and how will you help me to support my child's learning?

Cusgarne operates an effective 'open door' policy to create a constant positive dialogue with parents. In addition to this staff may ask to speak with parents at the end of the school day, parents are invited to attend Parent Consultations in both the Autumn and Spring terms, and in the Summer term annual reports are sent home to parents, after which parents may request an additional consultation with their child's class teacher if they wish. All this constant dialogue between school and parents will help you to support your child's learning at home and inform you of how they are progressing in school. If at any time you wish to discuss your child, then meetings can be arranged with class teacher and / or the Head Teacher at your request.

6. What support will there be for my child's overall well-being?

Your child's overall wellbeing will be constantly supported in school in a variety of ways. We will help them to be healthy by ensuring that they enjoy good physical and mental health as well as encouraging them to live a healthy lifestyle; we will keep them safe by protecting them from harm and neglect; we will help them to enjoy life and achieve well by giving them opportunities to make the most out of life and by beginning to teach them the skills they need for adulthood; we will help them to make a positive contribution to school, the community and society by being involved in the community and society and discouraging involvement with anti-social or offending behaviour; and we will contribute to their economic well-being by ensuring that they are not prevented by economic disadvantage from achieving their full potential.

7. How do I know that my child is safe in school?

At Cusgarne we have a variety of measures, policies and procedures in place to ensure that your child is safe. All staff are checked by the Disclosure and Barring Service (DBS checks previously known as CRB checks) and have tier 2 Child Protection training. There are also

named members of staff who are trained to tier 3 in Child Protection. We have a safeguarding policy and have risk assessments in place for a wide variety of activities and situations that may arise.

8. What specialist services and expertise are available at or accessed by your school?

A list of specialist services used by the school and are accessible to us are on the Family Information Service website.

<http://www.cornwallfisdirectory.org.uk/kb5/cornwall/fsd/home.page>

9. How will my child be included in activities outside the classroom including school trips?

Everyone is included in everything at Cusgarne School. Activities outside the classroom are a part of everyday life for us and we undertake a wide variety of school trips throughout the year. All children are encouraged to take part in after school clubs, and those children who need it are supported appropriately. The same applies when it comes to trips and camps and adaptations are made where necessary to ensure that every child is included whilst at the same time carefully ensuring that those adaptations do not affect the experiences of other children.

10. How are the school's resources allocated and matched to children's special educational needs?

Each year the school decides on an allocation of money for special educational needs and disabilities (SEND). For all children on the school's SEND register the school itself is expected to meet the first £6000 of any resources and support required by each individual child. For those children with a Statement of Special Educational Need or an Education, Health and Care Plan, spending above the £6000 may be claimed back from the local authority up to a limit set by the resources provided by the statement. In addition to this, these children also have access to free resources and support from external professionals such as Educational Psychologists for example. In-school resources and support are detailed in Individual Education Plans (IEPs). These plans are individually tailored to each child on the SEND register and specify which resources will be used to support that child, how much support they will receive and whether any additional adult support will be used.

11. How is your School Offer reviewed?

Our School Offer is reviewed on an annual basis in consultation with staff, parents and Hub Councillors of the school.

12. Who can I contact for further information?

The Head of School is Mr Tim Barnard

Thank you for taking the time to read our offer. This document sets out an overall picture of the provision we make at our school, but we encourage you to visit Cusgarne School and discuss your child's individual needs. Throughout your child's time at our school, we will use a variety of assessments and monitoring exercises to determine the progress of your child. If any child is not making expected progress then we will investigate further including any barriers, which may be hindering their learning.
