

## Cusgarne French Scheme of Work

The focus will be on teaching French at KS2 and will focus on practical communication. It will also introduce the children to French speaking countries and their communities.

Teaching should provide a balance of spoken and written language and should lay the foundations for further foreign language teaching at KS3. It should enable the pupils at Cusgarne to understand and communicate ideas, facts, feelings in speech and writing, focussed on familiar and routine matters, using their knowledge of phonology, grammatical structures and vocabulary.
