

All About Cornwall Knowledge Organiser

The United Kingdom

The United Kingdom is an island country in Europe.

It is made up of four smaller countries: England, Northern Ireland, Scotland and Wales.

Each country has a capital city as shown on this map.

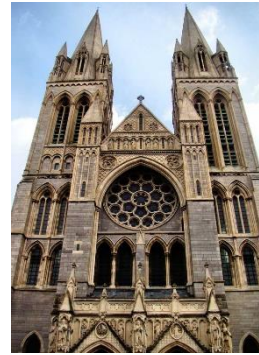

Cornwall – Truro

Truro is located in the South-West of the UK in the county of Cornwall.

It is the capital city of Cornwall.

Land use in Truro is predominantly residential and commercial.

Human and Physical Features

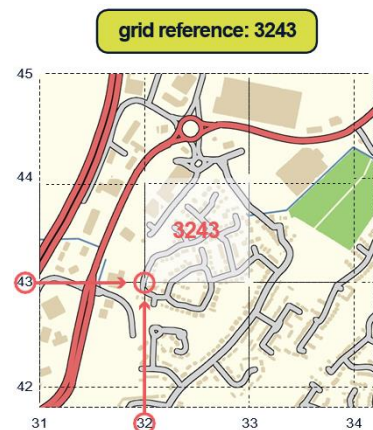

Human geographical features – human or man-made features of a landscape. This can include:

- Buildings
- Roads
- Bridges
- Harbours

Physical geographical features – features of the landscape that would exist even if there were no people. This can include:

- Rivers
- Mountains
- Valleys
- Beaches

Four-Figure Grid References

Four-figure grid references are four numbers used to pinpoint a particular location on a map. Numbered lines called eastings and northings are used to pinpoint a square section on a map.

Sketch Maps

Sketch maps are simple maps people use to show places, give directions and provide a tourist guides/information. They are not as detailed as other forms of maps but can still be useful.
